

109. DHALI WAL FAMILY - VIRAJ SHAHI MEMORIAL BURSARY

*I decided to fly through the air and live in the sunlight and enjoy life as much as I could....
I decided to live life, to taste experience to the utmost, to reach out eagerly and without fear for
newer and richer experience.
I decided to dance and sing to my music.
I decided to love unconditionally, smile when faced with adversity, show courage, strength and
perseverance.
This is me....*

This is a memorial bursary in honour of Viraj Shahi. Please look at the link to the Viraj Shahi foundation to give you some insight into who Viraj was: virajshahifoundation.ca
