- December 7-16 - Grad photos
- Friday, December 18 - Last day of classes before Winter Break.

Quarter 1 Completion Day - Monday, November 16

Monday, November 16 will be a *Completion Day* for Quarter 1. The intent of this day is to give all of our learners an additional day to submit any outstanding assignments/projects, present any missing schoolwork or work on any extension activities.

All students are welcome to attend the *Completion Day*, but please note that it is not a regular class day as teachers will be focusing on assisting students requiring additional support to complete the Quarter One learning activities.

We have been very pleased with how our students have responded to both the new schedule as well as the safety protocols in school. Thank you to them and to all parents/guardians for your help.

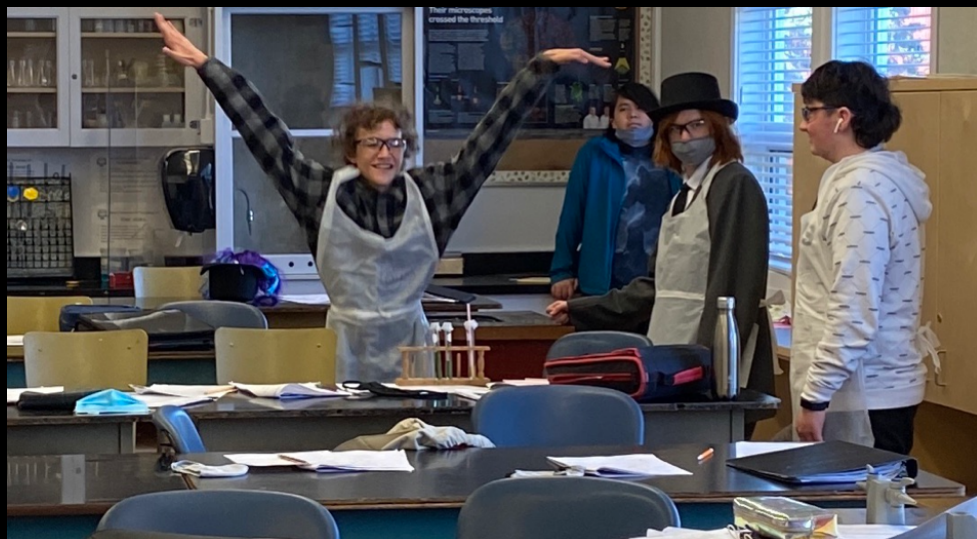

Climbing News!!

Many Cowichan Climbing Academy Students past and present competed in a climbing competition on Oct 24 and 25 at the local climbing gym called The Hangout. The competition was an Open competition (adults and youth) and many Cowichan Climbers performed very well in the field of 70+ climbers.

Results for current Cowichan Secondary Students (loads of former students too) was as follows:

1st Overall - Jack Whitney
2nd Overall - Dominic Fagan
4th Female - Kate Arrowsmith
10th - Liam Klettke
13th - Joel Danieliwicz
Nicolas Goble
Rensei Kimata
Emma St. Laurent

Congratulations to all who participated

Students in Ms. McKenzie's Science 10 class measuring carbon dioxide as an indicator of enthalpy change.

Mrs. Clark's Foods 11/12
made Risotto ai Tre Formaggi.
Leftover risotto is perfect
for Arancini with Marinara!
Delizioso!

Students in Ms. Donnelly's Graphic Arts 11/12 working on a new school mural
